UNIVERSITY OF MIAMI

COMPUTING DAY

# Call for Posters + Demos!

UM faculty, graduate and undergraduate students, postdoctoral fellows, and staff are invited to submit posters and/or demos for presentation at the second annual COMPUTING DAY to be held at the Lakeside Village Expo Center. Computing Day convenes faculty and student scholars, corporate and government professionals, and other audiences engaged in computing to design the future and foster interdisciplinary collaboration and innovation. This event is free and open to the public.
