

WHAT IS IT?

Online screenplay marketplace, allowing screenwriters to directly sell their scripts to potential buyers (studios, producers, etc).

WHAT WE ARE LOOKING FOR?

We're looking for a full stack web developer to get in at the beginning of an exciting start-up aiming to revolutionize the film industry.

COMPANY MISSION STATEMENT

Mea Via is an online screenplay marketplace, allowing screenwriters to directly sell their scripts to potential buyers. Our mission is to put undiscovered, creative talent in the "game". To all the aspiring writers with no connections, don't let your script die on your computer, give it a chance to be seen and YOU name the price.

Send your resume here include a faculty referral if possible
