

## Internship Opportunity for Computer Science Students

Nowtox, Inc. as lead for a portfolio of technology and health tech companies in Florida and Texas, is seeking graduate students in Computer Science for internships. Each internship presents the opportunity to build the student's coding and programming portfolio with real world experience. The internships offer the opportunity for the student to go from concept to design to marketing stages. We are seeking students with initiative and creativity. Exemplary interns will be considered for full-time or contract employment.

This is a remote work position and applicants will be considered without regard to location.

Interested applicants should send Curriculum Vitae and cover email to [mdm@bmapgovtaffairs.com](mailto:mdm@bmapgovtaffairs.com)
