

Student Developers & Web Designers!!!

Are you a rock star creator or code warrior?

WE NEED YOUR HELP.

While we've captured lightning in a bottle with HTMAIL, we're just scratching the surface of what this technology can do. That's where you come in. Help us demonstrate the true power of what HTMAIL is ultimately capable of.

FULL STACK DEVELOPERS

Are YOU the Big Developer On Campus? Are YOU the One who knocks?

The HTMAIL INTEGRATION CONTEST is an immersive code competition where contestants use HTMAIL's API to design and build original app and/or web-based software tools in order to provide innovative communications solutions for both personal and professional use cases.

WEB DESIGNERS & WEB DEVELOPERS

Are you a rock star web designer? Show us your chops!

The HTMAIL MESSAGING CONTEST asks you to create original HTMAIL messages that are uniquely inspired by where you go to school. Escort us around inside the places you frequent, behind the scenes, give us a little taste of the good life on and around your campus. Make us want to go there too!
